Expression of Interest (EOI) for the Empanelment of Print Creative Agencies/Organizations to design and prepare various IEC materials for print media for Awareness Generation Campaigns being implemented by National Disaster Management Authority.

Objective

National Disaster Management Authority (NDMA) intends to empanel the reputed agencies for preparing IEC materials for its Awareness Generation Campaigns.

2. Background

2.1 India is vulnerable, varying degrees, to a large number of natural as well as manmade disasters. 58.6 percent of the landmass is prone to earthquake of moderate to very high intensity; over 40 million hectares (12 percent of landmass) is prone to floods and river erosions; of the 7,516 km long coastline, close to 5,700 km is prone to cyclones and tsunamis; 68 percent of the cultivable area is vulnerable to drought and hilly areas are at risk from landslides and avalanches. Vulnerability to disasters/emergencies of Chemicals, Biological, Radiological and Nuclear (CBRN) origin also exists.

2.2 On 23rd December 2005, the Government of India (GOI) took a defining step by enacting the Disaster Management Act 2005, which envisaged the creation of the National Disaster Management Authority (NDMA), headed by the Prime Minister, State Disaster Management Authority (SDMAs) headed by the Chief Ministers, and District Disaster Management Authority (DDMAs) headed by the District Collector or District Magistrate or Deputy Commissioner as the case may be, to spearhead and adopt a holistic and integrated approach to DM. Since then, there has been a paradigm shift, from the erstwhile relief-centric response to a proactive prevention, mitigation and preparedness-driven approach for conserving development gains and to minimize loss of life, livelihood and property.

3. NDMA's Vision

"To build a safer and disaster resilient India by a holistic, pro-active, technology driven and sustainable development strategy that involves all stakeholders and fosters a culture of prevention, preparedness and mitigation."

4. NDMA's Mandate

NDMA as the apex body is mandated to lay down the policies, plans and guidelines for Disaster Management to ensure timely and effective response to disasters. Towards this, it has the following responsibilities:

- Lay down policies on disaster management;
- Approve the National Plan;
- Approve plans prepared by the Ministries or Departments of the Government of India in accordance with the National Plan;
- Lay down guideline to be followed by the State Authorities in drawing up the State Plan;
- Lay down guidelines to be followed by the different Ministries or Departments of the Government of India for the purpose of integrating the measures for prevention of disaster or the mitigation of its effects in their development plans and projects;
- Coordinate the enforcement and implementation of the policy and plan for disaster management;
- Recommend provision of funds for the purpose of mitigation;
- Provide such support to other countries affected by major disasters as may be determined by the Central Government;
- Take such other measures for the prevention of disaster, or the mitigation or preparedness and capacity building for dealing with the threatening disaster situation or disaster as it may consider necessary;
- Lay down broad policies and guidelines for the functioning of the National Institute of Disaster Management.

5. Awareness Campaign Objectives

5.1 In its endeavour to spread awareness amongst the masses, NDMA has launched various public awareness initiatives through electronic, print and social media. The focus was on building appropriate environment for disaster management by impacting the target audience. These awareness campaigns of NDMA are being implemented through various modes of advertisement like TV, Radio, Print, Exhibition, Social Media etc. NDMA's awareness campaigns have centered on spreading awareness among the masses with two prime objectives:

- Preparing the citizens of the country for any impending disasters (earthquakes, cyclone, floods, urban flooding, landslides, heat wave, cold wave, etc.)
- Spreading awareness on various activities of NDMA

5.2 Campaigns being carried out by NDMA

- i. Audio-video spots on natural disasters;
- ii. Print material – posters and leaflets;

- iii. Campaign through metro by printing disaster awareness messages in and out of metro stations;
- iv. Print campaign through newspapers;
- v. Audio-video campaigns through TV, Radio and Social Media;
- vi. Participation in exhibitions;
- vii. Organizing Formation Day of NDMA and workshops/seminars on various disaster related topics.

5.3 To give a fillip to these awareness campaigns, print creatives agencies will be hired to design and produce various communication materials for print media. These will work in tandem with the IEC Cell under the overall supervision of PR&AG Division of NDMA.

6. Scope of Work/Deliverables

- i. Designing, preparation and production of IEC materials (exhibitions and print advertisements, leaflets, brochures, newsletters, hand-outs, etc.)
